To be Leaders in engaging Medical Practitioners and Voice for the provision of the highest standards of Healthcare in Kenya and beyond

Mission

Championing for the welfare of Doctors and Quality Healthcare in Kenya

Our Objectives

1. To promote the practice of medicine in Kenya
2. To uphold high standards of medical ethics and conduct
3. To advise the government, other health bodies, and the general public on matters related to health
4. To promote the welfare of doctors
5. To maintain the honor and interests of the medical profession
6. To support Continuing Professional Development (CPD) through periodic publications, seminars, and scientific conferences
7. To liaise with other medical associations around the world

Corporate Membership

This category of membership is open to other doctors' associations, including specialists' associations, health-related professional bodies, companies, and institutions committed to championing quality health care in Kenya and advancement in the professional practice of medicine.

Corporate Membership enables organizations to participate in the activities of the Kenya Medical Association and send representatives to its meetings and functions. Corporate members shall have voting rights through their representatives, as prescribed.

Corporate Membership Benefits

1. **Visibility and Credibility:** KMA provides credibility and recognition as the national association for doctors. Therefore, KMA serves as the umbrella professional body for all doctors in Kenya. KMA also offers recommendations and support for members in good standing.
2. **Health Sector Stakeholder Engagement:** KMA has official relations with the Ministry of Health and provides corporate members access to engage the Ministry of Health
3. **Health Sector Representation:** KMA is mandated by law to represent doctors and health professionals in health parastatals such as KMPDC, NHIF, Pharmacy, and Poisons Board among others. KMA provides an avenue to engage these bodies in advancing quality health services.
4. **Policy and Advocacy:** KMA has official relations with the legislative arms of government (National Assembly, Senate, and County Assemblies) and is actively involved in health-related law and policy reforms. KMA provides members with a platform to continue engaging in health law, policy, and advocacy.
5. **International Engagement Opportunities:** KMA is a member of international professional bodies and provides members with the opportunity to participate in their activities. Organizations include the World Medical Association (WMA), Commonwealth Medical Association (CMA), Coalition of Africa Medical Association (CANMA), and the Association of Professional Societies of East Africa (APSEA), among others.
6. **Networking, Peer Support, and Industry Insights:** KMA provides a platform for doctors, medical specialists, and other members to engage on matters of doctors' welfare and the provision of quality health care to Kenyans.
7. **Access to Education and Research Resources:** Gain access to a range of medical resources, such as the East African Medical Journal (EAMJ), Medicus Magazine, Young Doctors Network Magazine, training material, and medical education resources.
8. **Participation in KMA Committees and Activities:** Members can participate in KMA activities and send representatives to committees of interest as well as divisions.
9. **Access to KMA Conferences and Events:** Access to conferences and events such as medical conferences, seminars, and workshops.

10. **Discounts and Offers:** Enjoy discounted rates for marketing and exposure on KMA’s website and onsite exhibition at KMA conferences and events
